Hi Milan,

Sorry for the delay.

I've pasted it below and included the attached doc in case you need to change anything. Can you please send me the train # and car #s for your arrival in Bologna on Sat morning?

If Nishida rides with Abby, it looks like we can cut the second sedan. We'll check if we can cut it and get refunded for that car. Otherwise you can keep it for any unforeseen circumstances.

On Sunday, I have van leaving the B.W. Towers at 06:30 for the Savoia. Beyond that, I don't know your schedule. Please use Massimo Muoio Ex. 6 - Personal Privacy is your dispatcher for transportation movements. He is one of the drivers and can arrange/change movements as you like. You can call him directly. He speaks English and is very good.

**July 10<sup>th</sup> train station movements:**
